Hi Chad,

I know this is long over due but I want to thank you for the great service you provided me during my refinance. I knew I needed to get out of my adjustable rate mortgages and into a fixed rate home loan, but being a first time homeowner I wasn't sure where to start or what my options were. Your professionalism and honesty assured me that I was in good hands. You thoroughly explained every step of the process and I never had to wonder about the status of my loan. Due to your efficient service, there was minimal effort required on my part. You made the experience a pleasant one and I look forward to working with you again in the future. Thank you again Chad, for your commitment to excellence.

Sincerely,

Kathy E.
